Tips for Success:

1.) For additional details and to pre-register go to: www.catalystcareergroup.com Choose the Job Fair in the city you interested in - Companies view the resumes before the event and may invite you to come and meet them. We recommend that you pre-register, but it is not required to attend.

2.) Dress Professionally – Business attire, first impressions go a long way.

3.) Plan to spend a minimum of 1 hour at the event.

4.) Bring 15 to 20 Resumes - and bring a friend, all job seekers are welcome.

5.) Prepare your 30 to 60 second “Value Statement” – Offer everyone you meet a clear snap shot of who you are as a talent and what you have to offer a company as an employee. What were your past positions, how did you benefit your previous employers, and what you would like to do in the future. Remember, the best way to be considered for a position is to meet the hiring managers in person.

6.) Keep an Open Mind - Meet with as many of the companies as you can. We have had many job seekers discover companies and positions that they had not known about or considered before they came. Don't miss out, you may be surprised at what you find.
